

# Board of Governors

Dick leads the way and Hillson Tse, Darren Peets, Jeff Friedrich, Melody Ma and Aidha Saikh get in line.

## When dick attacks...

Only two students are allowed to participate in the UBC Board of Governors, and yet this board is responsible for the management, administration, control of property, revenue, and business affairs of the university. They even get a say in the appointment of senior officials and faculty on the recommendation of the President. These two students stand up to the big boys when big decisions are made and do their best to ensure that your voice is heard.

**Vote for Election Erection and make Dick happy.**
